# OPG GROUP

The corporate synergy in the “OPG GROUP” is the result of ongoing experience since 1980 which has continued to enrich the entrepreneurial Know How of the group. A mission orientated to the design, production, development and supply of products and services for industry, with full respect for the protection of people and the environment, according to the strictest European and international laws.

Steady and gradual growth, through expansion in different areas of the world in both commercial and production offices, continual investments in research, new production processes and structures today qualify the OPG Group as a solid and well established corporation.
